**NOTE:**

- All portions covered since the beginning of the Academic Year will be tested.
- The weightage of the paper will be 40 marks.
- On examination days, students will be dispersed at 12:00 noon (KG dispersal timing) to allow adequate time for preparation for the following day's examination. Friday dispersal will follow the usual schedule.
- If a student does not offer a subject scheduled in the timetable, they may stay at home on that day to prepare for the next day's examination.
- Students who are absent for any examination will not be allowed a retest under any circumstances. Absence will lead to strict disciplinary action.
- **Students will stay back on Monday 30th June after their examination and attend regular classes as scheduled portions will be covered by the teachers.**
- **Students are required to attend regular classes on Tuesday 1st, Wednesday 2nd, Friday 4th July as scheduled portions will be covered by the teachers.**
- A compulsory Parent Teacher Meeting (PTM) is arranged on **Thursday 3rd July 2025** for all students to discuss the student's progress, and effective utilization of the Summer Break.
