Principal's Message

Education is not just about acquiring knowledge; it's about cultivating the ability to think critically, adapt to new challenges, and continuously improve.

Dear Students, Teachers and Parents,

As we move forward in our academic journey, I want to take a moment to reflect on the importance of learning and progress. Each of us has the potential to achieve great things, but reaching that potential requires dedication, effort, and a commitment to personal growth. Learning is a lifelong process, and every step we take, no matter how small, brings us closer to our goals.

To our parents, your partnership is crucial in this journey. Your encouragement and involvement in your child's education make a significant difference. Let's work together to create a supportive atmosphere where learning is celebrated and progress is recognized.

In conclusion, let us all commit to a culture of continuous learning and improvement. Remember, progress is not about perfection; it's about being better today than we were yesterday. Together, we can achieve great things.

Principal Richard Monteiro

To our students, I encourage you to embrace each learning opportunity with enthusiasm. Understand that mistakes are not setbacks but stepping stones toward improvement. Strive not just for academic success but also for personal growth. Set high standards for yourself and work consistently towards achieving them.

To our teachers, your role in this process is invaluable. Your guidance and support shape the minds of our students and inspire them to push their boundaries. Continue to foster a positive and inclusive learning environment where every student feels empowered to learn and grow.

**Thank you for your ongoing dedication and hard work.
Let's continue to strive for excellence in everything we do.**

WELCOME BACK TO SCHOOL

Dear Parent,

Greetings from City Private School!

As we step into September, I want to share on the following points that I'm particularly excited about:

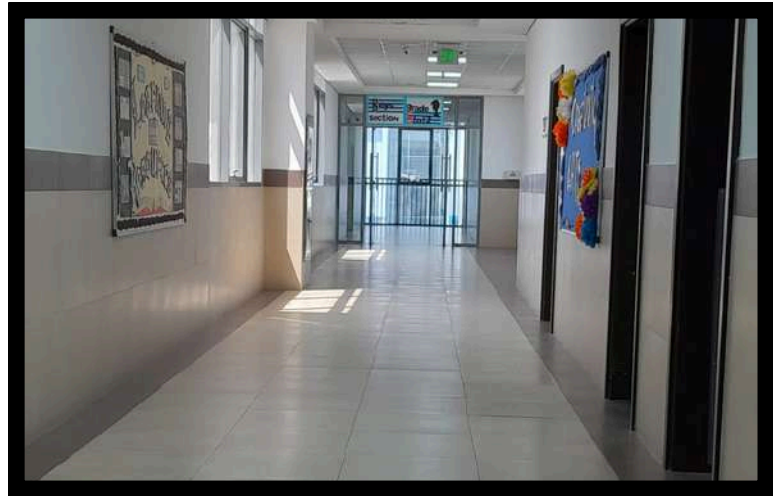

1. Focus on Student Well-Being:

Your child's well-being is at the heart of everything we do. We will continue to promote a safe, nurturing, and inclusive environment where every student feels supported. Our dedicated team of educators is here to ensure that your child not only succeeds academically but also thrives socially and emotionally.

Let us know of any untoward issue that may pertain to your child, and we'll address it in the appropriate manner.

2. Academic Excellence:

We are committed to providing high-quality education that challenges and inspires our students whilst also ensuring that discipline remains at the center of each child's journey. I'd like to remind our students to prepare earnestly for the Half Yearly Examination in October. It's better to shape-up a study plan from now on.

3. Strong Relationships and Open Communication:

I believe that strong relationships are the foundation of a successful school, and I'm looking forward to our school and teachers communicating with you in a better manner. I believe in maintaining open lines of communication between home and school. You can expect regular updates from the Class Teacher / Subject Teachers regarding your child's progress and school events. Please ensure your contact information is current, so you don't miss any important announcements.

Wishing your child a happy learning journey ahead!

Regards,
Daniel Alexander Dawes
Vice Principal

Welcome Back

The sky's the limit when you believe in yourself.

Dear Students,
Welcome back! As we continue our journey, remember that success is not just about reaching your destination but about the effort and dedication you put in along the way. Take pride in your work, stay focused, and keep pushing forward.

Let's make this session a time of outstanding achievements!

Head of Parent Liaison & Arabic Executive Secretary

WELCOME BACK TO SCHOOL

Dear Students,
Welcome back! I hope you've had a restful and enjoyable break, and now, it's time to dive into the second half of our school year with renewed focus and enthusiasm.

This is your chance to set new goals, try new things, and push yourself to achieve more than you ever thought possible. Whether you're looking to improve your grades, participate in new activities, or deepen your understanding of the subjects you love, now is the time to make it happen.

Our school community is here to support you every step of the way. We believe in your abilities and are committed to helping you reach your full potential.
