## Wishing You a Wonderful Summer Break!

Dear City Private School Families,  
I want to extend my warmest wishes to all our students, families, and staff for a restful and rejuvenating summer break. It's been a year filled with learning, growth, and countless memorable moments, and I am incredibly proud of everything we've accomplished together.

Our students have worked hard, embraced new challenges, and shown remarkable resilience. They've excelled academically, creatively, and socially, and it's been a true privilege to witness their progress. To our graduating students, we wish you all the very best as you embark on your next adventures. We know you're well-prepared for whatever comes next, and we can't wait to hear about your future successes.

To our families, thank you for your unwavering support, partnership, and dedication. Your involvement is invaluable, and it plays a crucial role in the success of our students and our school community. We truly appreciate your trust and collaboration.

Summer offers a wonderful opportunity to recharge, explore new interests, and create lasting memories. While it's a time for relaxation, I also encourage our students to continue engaging their minds. Whether it's through reading a good book, exploring nature, visiting a museum, or learning a new skill, there are countless ways to keep curiosity alive. Even simple activities like helping with chores or practicing a new recipe can be great learning experiences.

On behalf of the entire staff at City Private School, I wish you all a safe, happy, and fulfilling summer.

We look forward to welcoming everyone back in August refreshed and ready for learning.
