To: City Private School Parents (KG - Grade 12)

Subject: Successful Start to Online Learning / Expectations

Dear Parents,

Greetings from City Private School!

I hope this message finds you and your families safe, healthy, and secure in the present circumstances. At the outset, I would like to express my sincere gratitude to all parents who have supported the school by ensuring that their children have promptly resumed online learning. Your cooperation has enabled a smooth and successful start to the academic year, and this achievement is truly a collective effort made possible by our committed students, supportive parents, and dedicated teachers.

I am pleased to note that teaching and learning have commenced effectively, with lessons focused clearly on the planned curriculum and learning objectives. It is important to reiterate that all online lessons are strictly academic in nature. This ensures that our learning environment remains respectful, safe, and aligned with educational priorities.

As we continue with online learning, I kindly request all parents and students to adhere to the established expectations for online behaviour. Students are expected to:

- Attend all lessons regularly and punctually
- Keep their cameras on, as required by the school
- Remain attentive and actively engaged during lessons
- Maintain appropriate conduct and communication at all times
- Ensure that there is no external interference during live lessons

Please note that the [chat function has been disabled for students considering](#) its effectiveness so far.

These expectations reflect both the school's guidelines and the broader online learning standards followed across the UAE, ensuring consistency, discipline, and quality in education.

Once again, thank you for your continued trust, cooperation, and partnership. Together, we have ensured a strong and successful beginning to the academic year, and I am confident that, with your ongoing support, we will continue to provide a meaningful and productive learning experience for all our students.

With best regards,

Richard Monteiro
Principal
